DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

Specification

2. The disclosure is objected to because of the following informalities: a brief description of each of the drawings is not present in the specification. Also, the "summary" on page 11 should be labeled -- Abstract --.

Appropriate correction is required.

Drawings

3. Figures 4, 5 and 6 are improper. Each Figure must be labeled separately and provided with a brief description in the specification. Appropriate corrections are required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

4. The following is a statement of reasons for the indication of allowable subject matter: the prior art fails to teach or suggest a reflective system comprising a frame with two empty spaces and two extractable cartridges each containing reflective bands designed to fit in the empty spaces.
